Start Again!

NOTE! After wall 8 (which ends facing 6:00) The Elgins finish off their song by repeating the chorus twice. Therefore, you start wall 9 with counts 17-32 repeating them again facing 12:00. To make the transition from count 32 to count 17 easier: finish off the bounces stepping R next to L. Once you have done this you add the Ending ...

Ending: When finishing your repeat steps (counts 17-32) the last time you change the bounce ½ turn to a full turn L.

You will actually end doing the bounces as a L spiral turn to the front wall 12:00
